AUSSI SWIMMING

A.U.S.S.I. SUPER STARS

BY BRENDA BOCHMANN

AUSSI super swimmers Ron Hardie, Bronte Edwards, Ted Webb and Mike Gray from the "Marion" Club put in their most lethal performance for the season, when they broke the current Australian 4 x 50 metre freestyle relay record at the recent Pan Pacific International Masters swim meet in Sydney.

The same team won a bronze medal in the medley relay and together with Keith Appleton, they also swam well in individual events taking between them three gold, two silver and a bronze medal.

"Adelaide Masters" who had seven swimmers participating, netted 28 medals.

Women swimmers, Josie Sansom, Sue Needham and Kathy Heenan shared seven gold, seven silver and two bronze between them.

Most outstanding was Josie Sansom, who broke the Masters World record over the 50 metre breaststroke distance.

Dieter Loelinger, Graham Needham, Colin Mellor and Steve Walker claimed collectively four gold and six silver medals.

Loelinger, who competed for the first time as a Master swimmer

excelled himself in his age group taking four gold and two silver medals. Included were two Australian records for the 200 metre Medley and the 100 metres backstroke.

"Central District Seals" were represented by Stan Walker and Margaret McKinnon who also brought back gold, silver and bronze medals.

The Inaugural Pan Pacific International Masters Swimming meet was held in the Waringah Aquatic Centre on September 3, 4, 5 and 6. It was attended by 400 swimmers from West Germany, America, Canada, New Zealand, England and Australia.

It is planned to hold the games every two years in one of the countries that border the Pacific Ocean.
